

About Crossings

There's a new lifestyle option in Lethbridge - and it's called Crossings. Lethbridge Land's latest community development located in the heart of west Lethbridge. As its development unfolds, this will become a thriving urban village - a true "neighbourhood" where people can live, work and shop and connect with one another. This exciting "city within a city" will be designed around four community pillars.

Knowledge

Crossings' growth will be anchored around a joint-district high school as well as the city's second public library. Galleries, bookstores and cafés will also provide a place for arts and knowledge to take root in the community.

Recreation

Open park space make up the heart of this funky urban village. With pathways, ponds, sports fields and places to explore, a vibrant sense of neighborhood comes alive.

Living

Your home should be as unique as you are. With architecture that embraces diversity, choice defines flavour. From timeless brownstones, single family homes or condo living, homeowners can have it all.

Commerce

Everything you need is right outside your door - markets, shops, restaurants, offices and entertainment. This is a pulsating urban marketplace where function and flair converge to attract people to this one-stop activity destination.

This is Crossings - a place where *life* happens.
