

Amenities

Crossings is located in the heart of west Lethbridge. As its development unfolds, this will become a thriving urban village - a true "neighbourhood" where people can live, work and shop and connect with one another. From an urban design standpoint, Crossings will be a convergence of "four community pillars" - knowledge, recreation, living and commerce.

Knowledge

Chinook High School
Crossings Branch Public Library
Catholic Central High School - West Campus
G.S. Lakie Middle School

Recreation

ATB Centre - Phase One with the twin ice rink and curling centre is now open. Phase Two, opening in 2019, includes an aquatics centre (leisure pool, waterslides, lazy river, whirlpools), multi-sport field house, fitness centre, gymnasiums, indoor track, indoor playground and child-minding area.
